Ballam Collection of Games and Pastimes

Alphabetical listing with shelfmarks

Index created by JAL from records by Gill Short May 2024

The full shelfmarks are in the following form (with Ballam Collection abbreviated to Ballam Coll in SOLO):

The games are arranged in three main sequences: by decade, by the form or type of the material, and by publisher.

Please note that the following are shelfmark roots only and that the shelfmarks in the table below are in an abbreviated form.

For board games, individual records often have two components: one for the board and another for the pieces. It is necessary to order both. Please use the Johnson online catalogue (<https://allegro.bodleian.ox.ac.uk/johnson/>) for the full descriptions and shelfmarks.
