

John Johnson Collection: Johnson Adds (post-1960)
Kay Robertson Collection (Serviettes)

Index created by A.N 03 Feb 2011

This is a collection of paper serviettes collected by Kay Robertson.

In 2010, in the context of moving the Collection off-site, work was done on the KR collection in order to re-house it in an acid-free environment. Some of the original boxes are preserved at the end of the sequence. The original index is appended below the new index.
