

TAYLOR INSTITUTION

TL 5

BUILDING

TL 5/1/1-6

Correspondence and other papers relating to the first design and building of the Institution, extracted from the minutes of the Delegates of the Taylor and Randolph Building (see TL 1/1). 1839-47

1. Correspondence and notes relating to the competition for the design of the new building, 1839-40, with minutes of the Delegates, 1839-48. 1839-48

2. Printed notices of the Delegates relating to the purchase of the site, the request for applications from architects to design the new building, the approval of the successful plans, and the nomination of the second Delegacy to carry into effect the successful design. 1839-40

3. Tender applications for the new building from builders Thomas Piper and Son; George Baker and Son; Grifsell and Peto; S Grimsdell; H and J Lee; J and C Rigby and John Plowman; and J Grundy and T Hartley. 1840

4. Contract between the University and George Baker and Son for the building of the University Galleries and Taylor Building. 1841

5. Letter from architect Charles Robert Cockerell, with a plan of the site. 1841

6. Letter announcing the election of architect Charles Robert Cockerell as an Honorary Fellow of the College of the Freemasons of the Church, Architectural College, for his work on the University Galleries and Taylor Institute. 1847

Plans and elevations by CR Cockerell of the proposed building (former references TL/P/1/1-19 and TL/P/2/1-5, 16-17) were transferred on permanent loan to the Department of Western Art, Ashmolean Museum, in 1991.

TL 5/2

Correspondence and other papers relating to specifications and estimates for proposed work on the building, including alterations and repairs. 1867, 1884-1903
